Project 3: New media website
Completed and uploaded to blackboard as a zip file :
Wednesay 11/03

Title: FLCC New Media

(20)Navigation:
- Navigation bar color : 303030 or RGB 48
- Width 100%
- Box shadow
- Font size 18px
- Fixed navigation which is always on top of the content
- Navigation links: (links should open up in a new window)
  - About (http://newmedia.csc.flcc.edu/)
  - News /Events (http://newmedia.csc.flcc.edu/news.html)
  - Gallery (http://newmedia.csc.flcc.edu/gallery.html)
  - Prospective Students (http://newmedia.csc.flcc.edu/about.html)
  - Capstone (http://newmedia.csc.flcc.edu/capstone.html)
  - Contact (http://newmedia.csc.flcc.edu/contact.html)

- Navigation links should have a hover state
- The links and logo should have a padding of 24px on the left and right
- There should be no decorations on the links
- Nav ul should have a width of 990px

  - o Button should have a 4px radius with the text aligned in the center
  - o Text on the button should say " Get Started " and link to: https://www.flcc.edu/academics/newmedia/index.cfm

(20)Section 2:

- Background color should be: white
- Font color should be: # 303030
- Position should be relative to the page
- Height should be 400px
- Width 100%
- Text:
  - o Width 800px
  - o Margin auto for centering
 - o Align the text center and bold all the bolded words below

"You will also have opportunities to explore development for **mobile** and **web deployment**. With a New Media A.S degree you will be able to look for jobs in **many different technology and creative fields**, along with the ability to **transfer** to four year schools."

- Image
  - Use image devicesicon.png and create an image map
  - Icon 1 link to: http://newmedia.csc.flcc.edu/
  - Icon 2 link to: http://flccbethefuture.tumblr.com/
  - Icon 3 link to: http://leamovie2016.tumblr.com/
  - Icon 4 link to: http://newmedia.csc.flcc.edu/assets/capstone_contents/tour/index.html
  - Center image think about placing it inside of the paragraph above

(20)Footer:
- Background color should be: #303030
- Font color should be: white
- Position should be relative to the page
- Font size is 18px
- Width 100%
- Center the links
  - Get to know us (http://newmedia.csc.flcc.edu/about.html)
  - Connect (http://newmedia.csc.flcc.edu/news.html))
  - About Us (http://newmedia.csc.flcc.edu/gallery.html)
  - Resources (http://newmedia.csc.flcc.edu/capstone.html)
  - Get Started(http://newmedia.csc.flcc.edu)

Keep in mind good coding format and good commenting. You should use an external style sheet to develop this website. Below is a wireframe of the site design.
